

Transition Forum 2012

Preconference

March 12, 2012

9:30 to 11:30am

CEC's Virginia Division on Career Development and Transition (VA DCDT) presents:

Improving Transition
Outcomes With
Evidence-based Practices
Dawn Rowe, Ph.D.

Dr. Rowe, the Project Coordinator for the National Post-School Outcomes Center, will present information about improving transition outcomes.

Teachers have access to two important resources to assist them in planning effective secondary instruction: evidenced-based practices and post-school outcome data.

In this interactive preconference session participants will use post-school outcome data to identify evidence-based practices for employment, training, postsecondary education, and independent living.

- ♦ Light breakfast will be served.
- ♦ Certification of attendance will be provided.
